

**Central Region
CHNS/CHPS Report
January 2016**

Anna Haver, CHPS

- Developed support letter and worked on MOU for Jacksonville Health Unit with Jacksonville High School for efforts to apply for school based health center grant when new district is formed.
- Met with Special Olympics to begin planning for Young Athletes training to be held for Central Region area schools in June 2016.
- Participated in SmileDrive webinar and met with NLRSD staff and health unit administrator to plan for unit hosting a drive to benefit needy students in the district. Will recruit various organizations in community to assist with collecting donations.
- Completed CECH provider report to send to National Commission on Health Education Credentialing for CE offered by ADH for CHES and MCHES.
- Provided tobacco prevention and cessation posters for install news to LRSD: McClellan High, Metropolitan High, Cloverdale Middle, Central High, Forrest Height Middle, JA Fair High, Robertson Elementary, and LRSD office; and PCSSD: Sylvan Hills High, Sherwood Elementary, Jacksonville High, Robinson High, Robinson Middle, Mills High, and PCSSD office. Delivered brochures to Sherwood Elementary Head Start for parent education including: tobacco prevention and cessation, Act 811, preventing exposure to secondhand smoke, WIC services, car seat/seat belt safety, nutrition, and physical activity.
- Assisted with review of local school district's SHI reports from schools. Provided feedback on the strengths and weaknesses of wellness priority reporting from schools. Discussed upcoming SHI training.
- Met with CHPS and school health staff to continue planning for BMI resource packets for school nurses. Developed three topic cards for the kits.

Lynette Slaughter, CHNS

(Currently time is shared with In Home Services one to three days per month)
